On-Site Breast Ultrasound Positioning and Demonstration Evaluation

USING YOUR SMART PHONE:

1. Open the QR Code Reader or Camera
2. Hold your phone so the QR Code is visible on the screen
3. One of two things will happen next:
 - The phone automatically scans the code
 - You will need to press a button to snap a picture, not unlike the button on your smartphone camera
4. Presto! Your smartphone navigates to the website, which may take a few seconds on most devices.
